BATHROOM RAVE

Oh baby, baby!

Big voices meet bigger 90s energy. We have two karaoke rooms. One room brings rock chick chaos – fairy lights, grunge vibes, and teen idols. The other's all muscle, sport, and macho madness. Perfect for birthdays, team socials, or last-minute Thursdays with your day-ones.

Belt out No Scrubs, rap The Fresh Prince, or scream Backstreet's Back into the mic. The private room fits up to 10 people, with pizza and cocktails delivered straight to your mic-drop moment.

Our karaoke room is available as part of our full venue hire OR bookable on its own for up to 10 guests! Just bring the chaos...
