

*Introducing*  
our new and improved  
hotel experience...

# We've Been Busy...

# Inspiring Creativity...

**Over the last couple of years, we have been investing extensively in the hotel to modernise and refurbish our offering to our guests.**

From bedrooms, to public spaces, our brand new lounge area to our refurbished state-of-the-art meeting rooms, we're creating an environment that delivers.

This **£10 million pound refurbishment programme** is ongoing, and we are excited to share some of our recent accomplishments with you...

**Book your Showround >>**

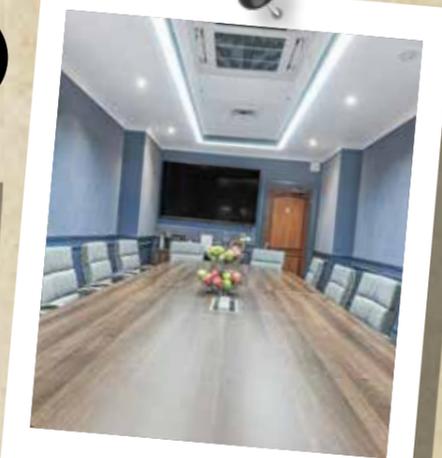

## Introducing the V2 Innovation Hub

# Modern, Welcoming Bedrooms...

We have now refurbished all of our standard and Deluxe rooms spending over £32k on every room. We've totally stripping back the rooms and bathrooms to ensure a brand-new contemporary product which has been made to be technologically superior to our competitors, with plenty of charging points for the modern traveller, multimedia access and a superior WIFI experience with new dedicated Fiber lines in to the building.

**£32k**  
Spent on every Standard and Deluxe bedroom

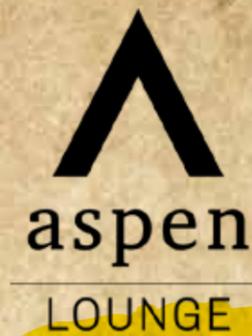

## The Willow Suite

Following increased demand for a dedicated suite for senior management delegates and VIPs, we spent last year designing the new Willow Suite.

This exceptional spacious suite is ideal for event bookers, company VIP guests or CEO's.

# The Aspen Lounge

## Our new social hub...

Following a million-pound update, we are delighted with our extensive new public areas boasting a contemporary design, new cocktail bar, snug bar lounge and extensive Aspen lounge area.

**£1 MILLION**

## upgrade

- 100 Seating Capacity
- Cocktail Bar
- Lounge
- High Speed Wi-Fi

## Rob Quehan -

## Executive Head Chef

Following upgrades to our kitchen facilities, we were delighted to have Rob Quehan join us as our new Executive Head Chef.

Trained at the Dorchester Collection, Rob is committed to delivering bespoke menus with seasonal and local ingredients at the heart of each dish.

# The Aspen Terrace

## Private Hire

### with a Difference....

The Aspen Terrace is our stunning new outside space that's one of the largest in Berkshire.

It offers a flat sandstone terrace over 700sqm and occupies a space of 1000sqm. With a variety of seating options, it's perfect for after work drinks, alfresco dining or as a group event space for 50 - 200 people.

LIVE

## Keller and Apres

The Keller and Apres has had various media updates designed to enhance our offering for the corporate midweek customers. We now a sports bar environment available Monday-Thursday with live games shown throughout the year.

## Plenty of fish!

Our iconic Kaleidoscope aquariums have also had a facelift, and we now have an exciting variety of species from Piranhas to Parrot fish, Bala Sharks to beautiful Angel fish, stunning Discus fish to the very large Oscars on the 4th floor!

### Did you know?

When first opening in 1992, our fish tanks were the largest private aquarium of their type in Europe!
